EXPERIENCE

USF Campus Recreation

Tampa, FL

Intramural Sports Official

Jan 2023 – Present

- Facilitating intramural sports at USF by officiating 12+ games a week while maintaining player conduct and fair play leading to an improvement in game flow and player satisfaction
- Managing 50+ players a day in a team of 3 referees by clarifying rules and addressing disputes achieving 20+ good player reviews

Hassan Allam Technologies

Cairo, Egypt

Mobile Application Development Intern

July 2023 – August 2023

- Built a prototype for company's mobile portal app to be used by 3000+ employees across all sectors by working in a team of 4 interns utilizing the Flutter framework and developed a calendar module to be used for employee attendance and event scheduling
- Researched efficient functionalities for calendar module, proposed 5+ ideas for app design and contributed in choosing final design for app prototype

PROJECTS

Portfolio Website – HTML/CSS

September 2023

- Implemented a complete HTML website to display my portfolio of projects and achievements
- Monitoring website consistently to check for errors and add occasional improvements

Calendar App – Flutter/Dart

July 2023

- Collaborated with other interns to construct a calendar module to be used by company's employees in event scheduling and attendance
- Recommended design ideas for portal and assisted in improvement of app user interface

News App – Flutter/Dart

July 2023

- Constructed a fully functional news app using APIs and the Flutter framework
- Added visual features such as dark mode for better user experience
